PUTTING THE WORKERS FIRST

Adjusting the size of the ErgoDustPan Telescopic improves worker health and safety while on the job. This in turn cuts down on the number of worker compensation claims made by employees.

At 5' 0" and 6' 11" respectively, these workers demonstrate the features of the ErgoDustPan Telescopic. The height adjustment feature of both tools accommodates the size of the individual worker.

TELESCOPIC

NEW!

ERGO DUSTPAN - HEIGHT ADJUSTMENT

The telescopic broom and dustpan are adjustable to meet a worker's height needs. In this example, the tool is designated green for food service area cleaning.

ERGO DUSTPAN - ERGONOMIC AND STORAGE FEATURES

A longer, adjustable handle on both tools eliminates bending - which produces strain.

The broom attaches to the dustpan handle for efficient transportation and storage.

The telescopic dustpan retracts upwards when lifted. This eliminates the possibility of debris falling from the dustpan while being moved from area to area.

Telescopic Broom

Telescopic DustPan

SMARTCOLOR™ ERGO DUST PAN TELESCOPIC (With Broom)

Item No.	Size	Case Qty.
EDTBG	45" x 12"/114 x 30 cm	6

ERGO DUST PAN TELESCOPIC - RESTROOM (With Broom)

Item No.	Size	Case Qty.
EDTBR	45" x 12"/114 x 30 cm	6

- Telescopic feature allows handle to be raised up to 10" to accommodate worker's height.
- SmartColor™ Coding System prevents cross contamination between areas.
- Ergonomic handle minimizes hand and wrist strain.
- Broom attaches to dustpan handle for easy storage and retrieval.
- Swivel dustpan opens when base hits floor, and collapses without spilling its contents.

Professional Cleaning Tools From Unger
