

**NEW**  
IMPROVED  
DESIGN

# VERSATWIN®

Featuring the New  
and Improved Infinity®  
System to eliminate  
stub roll waste.

- **New Infinity System:** Offers more ergonomic transfer to second roll with gentle gravity assisted return mechanism.
- **New and Improved:**
  - Paper Access — for more hygienic tissue delivery
  - Brake design — For less tissue waste and easier stub roll transfer
  - Same hole pattern — No need to drill new holes for installation.
  - Cover design — For a compact, slimmer appearance
  - Business Card Holder — To remind customers where to order refills
- **New Classic Design Features:**
  - Coordinates with Classic Roll Towel and Folded Towel cabinets.
  - Larger cover makes it easier to view paper levels, reducing maintenance time.
  - Contoured cover won't hold cigarettes - no unsightly burns.
  - Integrated hinges are more durable and found on all new Classic dispensers.
