

**Tuxton China, Inc** is partnering with *C-CAP (Careers through Culinary Arts Program)* to help talented at-risk youth prepare for careers in the food industry.

We are donating a percentage of our total sales from the month of September in support of this *extraordinary* non-profit.

Purchase Tuxton products in September and help us provide hundreds of high school students the tools to prepare for college and culinary careers.

We thank you for your support!

For more information on C-CAP and how you can help:  
[www.ccapinc.org](http://www.ccapinc.org)

**C-CAP offers the following programs:**

- Job Training and Internships
- Career Exploration and Advising
- Scholarships and Cooking Competitions
- College Advising
- Teacher Training
- Product Donations
