

CAVE AGED CHANDOKA[®]

COW/GOAT MILK CHEESE

PRODUCT SPECIFICATION SHEET

PRODUCT DESCRIPTION

We blend 70% cow and 30% goat milk to create this proprietary, American original cheese. It is then tended to by our affineur as it ages in our caves. The wheels have an earthy aroma with vegetable undertones. The rich, dense, fudgy interior hints at complex notes of butter, citrus and horseradish. The cheese continually evolves throughout its life cycle.
