

# Dry It LF

## Wetting Agent

**High Performance Defoaming  
Rinse Additive**

Net Contents: 5 Gallons

**Dry It LF**

**DRY IT LF** is a premium rinse additive formulated to give excellent sheeting action for rapid spot-free drying. Its sheeting surfactant blend allows for optimum performance with minimal levels of consumption.

**GENERAL USE INSTRUCTIONS:** Dispense with automatic rinse injector system. Insert blue plastic rinse feed tube to bottom of container. Rinse additive will feed automatically as required. Replace empty containers promptly.
