**MAKES 100
GALLONS!**

THE PROFESSIONAL'S CHOICE

CAUTION:
MAY BE HARMFUL IF SWALLOWED
MAY CAUSE EYE IRRITATION
KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: 1 GALLON (4 QT.)

GENERAL DESCRIPTION: REFLECT SUPER CONCENTRATE is fast, thorough, economical, and convenient. Its unique formula provides the added advantage of adhesion to vertical surfaces making it especially nice to work with on windows. It cleans and polishes mirrors, glass, stainless steel, ceramics, Formica, tile, plastic laminates, and chrome. REFLECT SUPER CONCENTRATE can be used as a furniture polish on veneer and laminated wood surfaces. It cleans cosmetics and fingerprints from mirrors and windows with one wipe, leaving a "crystal clear" surface with a protective sheen which resists dust accumulation.

DIRECTIONS FOR USE

Dilute 2.5 tablespoons per gallon of water. 1 gallon of REFLECT SUPER CONCENTRATE makes 100 ready-to-use gallons of glass cleaner.

Spray a fine mist over the entire surface to be cleaned, wipe away soils and polish dry. For best results, use two paper towels or dry, lint free cloths. Spray, wipe off the soil with the first towel and polish with the second. Avoid redepositing soil by changing cloths or towels when dirty. For stainless steel and heavily soiled surfaces, use at full strength. For general window cleaning, use diluted at 1 capful or 2.5 tablespoons per gallon of water.

CAUTION: WARNING

KEEP OUT OF REACH OF CHILDREN

Do not take internally. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. **SKIN:** If on skin, rinse with water. If irritation persists, consult a physician. **EYES:** Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. **INTERNAL:** If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. **DO NOT** induce vomiting. Obtain prompt medical attention.

INGREDIENTS: WATER (CAS# 7732-18-5) GLYCOL ETHER (CAS# 111-76-2) ISOPROPYL ALCOHOL (CAS# 67-63-2), ALKYL DIPHENYLOXIDE DISULFONATE (CAS# 36445-71-3), DIETHYL PHTHALATE (CAS# 84-66-2), COLORANT.
