

State of California SB- 58 Disclosure Statement

The product EDWARDS-COUNCILOR manufactures is defined as a “designated product” by the [California Clean in Product Right to Know Act of 2017 SB-258](#). Attached for your reference is a copy of SB-258, which prescribes the requirements for the online and on-label disclosure of ingredient information in cleaning products.

To be able to achieve and maintain compliance with our own SB-258 disclosure requirements, Ecolab requires raw material and finished goods suppliers to declare any substances in their product(s) identified for disclosure under SB-258. Continued sourcing and use of these products by and for Ecolab is predicated by the disclosure of this information for internal documentation, labelling requirements, and electronic dissemination of chemical information pursuant to SB-258. The information provided on this form will be disclosed only to the extent required by and pursuant to SB-258 and related rules and regulations.
