INSTALLING SU-25S CASTERS ON FOOD TABLES WITH UNDERSHELF

CONTENTS INCLUDED:

- (2) Stainless Steel 5" Swivel Casters
- (2) Stainless steel 5" Swivel Casters with Brakes

TOOLS NEEDED:

- 5/32" Allen Wrench

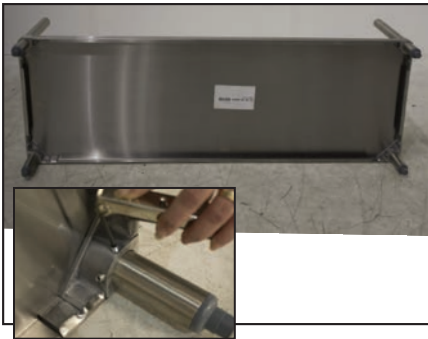

Swivel Casters
with Leg

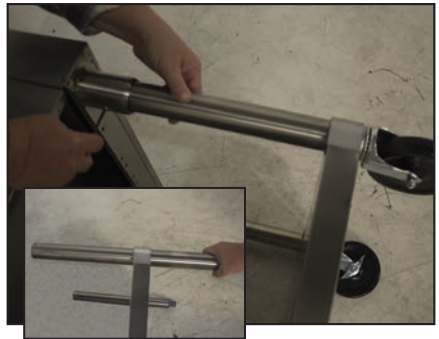

STEP 1: Carefully turn unit on its back.

STEP 2: Using 5/32" Allen wrench, remove set screws and set aside. DO NOT DISCARD SET SCREWS.

STEP 3: Remove undershelf and legs from food unit.

STEP 4: Using 5/32" Allen wrench loosen set screws securing legs to undershelf.

STEP 5: Install legs with casters by repeating above.

INSTALLING TA-255P CASTERS ON ENCLOSED BASE FOOD TABLES

CONTENTS INCLUDED:

- (2) 5" Swivel Casters
- (2) 5" Swivel Casters with Brakes

TOOLS NEEDED:

- 3/4" Opened End Wrench
- Pipe Wrench

Swivel Casters

STEP 1: Carefully turn unit on its back.

STEP 2: Unscrew leg from support channel (pipe wrench may be necessary).

STEP 3: Screw each caster into each threaded hole by hand.

STEP 4: Once all casters are in place, tighten the bolt head that appears under the caster body using a 3/4" open end wrench.

INSTALLING THE SU-6 HANDLE ON ADVANCE TABCO HOT & COLD FOOD TABLES (SOLD SEPARATELY)

CONTENTS INCLUDED:

- (1) Handle
- (2) Bolts

TOOLS NEEDED:

Phillips Head Screwdriver

STEP 1: Attach the Push Handle to the two pre-existing holes on the desired end of the Food Table using the 2 supplied Bolts.
