RE: Big Train recipe misprint on label

Dear Big Train customers,

During our recent Big Train label updates, we had a printing error for our recommendation on 16 oz Blended application recipe. As a corrective action, we have made the required revisions and the updated labels would suggest the correct recommended recipe. The changes will flow through with the next planned production of all impacted products respectively.

Details:

Misprinted recipe on label	Updated recipe on label
<p><i>Blended: 16 Fl Oz (480 ml)</i> Add 6 Fl Oz (180ml) of water, coffee or Milk to the blender, add 2/3 Cup (126g) of Big Train mix and 12Oz (180g) of ice. Blend Thoroughly until smooth and serve.</p>	<p>Blended: 16 Fl Oz (480 ml) Pour 5 Fl Oz (150ml) of chilled coffee, milk or water, 2 Scoops (½ cup or 80g) Big Train mix and 12 Oz (180g) of ice into blender. Blend thoroughly until smooth</p>
