CHICOPEE® S.U.D.S.®

Wiping System

The S.U.D.S.® system enables you to create your own fully customized saturated wipes by providing the dry rolls and a bucket. Simply add your own chemical at the PPM and saturation level that meet your chosen requirements to clean confidently with every wipe, every time

**Superior Sanitation =
Superior Satisfaction.**

Features & Benefits

- Cost effective alternative to pre-saturated wipes
- Chemical compatible fabric that maintains the PPM strength of quat and hydrogen peroxide
- Spinlace® fabric scrubs, cleans and removes debris as it delivers sanitizing solution to surfaces

1
Release tab and
remove the lid

2
Insert one dry roll
of wipers into
the bucket

3
Pour your
pre-measured solution
over the wipes

4
Pull wiper from center
to thread through lid
and tightly secure
