Why the category:

- ▶ **Trusted solutions that reduce the time employees spend on cleaning tasks.**

Why Scotch-Brite™ Professional?

- ▶ **Reliable and consistent results** – The Scotch-Brite™ Professional scouring pads are designed to deliver effective and consistent performance.
- ▶ **Cleaner** – Tests show our scouring pads remove up to twice as much baked-on food from cookware, while rinsing easier and lasting longer!
- ▶ **Scotch-Brite™ Professional brand delivers more scrubbing power.**

Product features and benefits:

Tough on soils.

- ▶ **Proprietary POWER DOTS**
 - Engineered to quickly and effectively power through tough messes.
- ▶ **Rinses clean easily**
 - The POWER DOT side is specifically engineered to prevent large food particles from getting trapped, so it rinses clean – fast.
- ▶ **HEX shape**
 - The hexagon shape makes it easy and comfortable to hold while the extra corners clean hard-to-reach areas.
- ▶ **2-in-1 cleaning tool**
 - The POWER DOT side scours through tough messes while the reverse side cleans fine particles.

Did you know?

Many of the Scotch-Brite™ professional scouring pads have been certified by HACCP International as “food safe” and “fit for purpose” for use in facilities that operate in accordance with a HACCP based Food Safety Program.

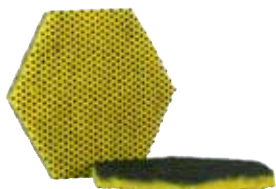

We invented scouring pads back in 1958, and we've spent the last 50+ years making improvements based on the real world needs of commercial kitchens.
