

E300 SPEED OVEN

Oven Specifications

Electrical Specifications

Voltage	208 / 240
Amperage	26
Phase	Single
Service amperage	30
Frequency	60Hz
Plug configuration (NEMA)	6-30P

Cook Chamber Dimensions

Height	8"
Width	15"
Depth	14"
Volume (cubic feet)	1
Weight lbs. (unpacked)	175
Stackable	Yes

Exterior Dimensions

Height	20 1/8"
Width	22 3/4"
Depth	33"

Clearances

Top	2"
Sides	2"
Back	2"

Compliance with UL 710B using EPA Method 202. Ventless certification is for all food items except for foods classified as "fatty raw proteins." Such foods include bone-in, skin-on chicken, raw hamburger meat, raw bacon, raw sausage, steaks, etc. If cooking these types of foods, consult local HVAC codes and authorities to ensure compliance with ventilation requirements.

SIMPLE & FAST

Simple cooking. Control and manage up to 384 recipes with six programmable phases that provide flexibility with proteins, vegetables, and baked goods.

Simple operation. The touch screen menu is easy to navigate so you can find the right recipe, right away.

Simple cleaning. Removable jet plates allow access to the entire cavity. Coated microwave windows and stainless steel make cleaning easy.

Simply Amazing! The optional Meteorite® cooking stone provides excellent distribution of heat and retains that heat for much longer than traditional stones, saving you time and money.

Perfectly cooked food, every time. Using microwaves and top and bottom air impingement, the E300 speed oven cooks food amazingly fast. Cook, reheat, bake, and brown – all without compromising quality or taste.

Menu flexibility. Perfect for high-volume restaurants, hotels, grocery delis, coffee shops, and pubs.

Intuitive touch screen. Easily navigate and control cooking settings for microwave, convection and impingement air.

The perfect countertop size. The small footprint of the E300 speed oven saves space for all other kitchen equipment.

Technically advanced. The E300 speed oven provides automatic voltage detection and adjustment and self-diagnostic components to improve overall performance.

Ventless operation. Perfect for any food service venue where venting is not cost effective or possible. Compliance with UL710B.

COOK TIMES

Breakfast Sandwich	0:30
Nachos Grande	1:00
Chicken Wings	2:30
8" Sub Sandwich	0:45
14" Pizza	3:20
