INTRODUCING NEW COFFEE LIQUEUR FLAVORING SYRUP

Bring the delicious flavor of coffee liqueur to life with our latest flavor innovation. We start with the robust, aromatic coffee, add rich, exotic rum flavor and finish with delicious essence of Madagascar vanilla.

The flavorful combination of coffee and rum dates back to the 17th century, and is simply a delicious pairing that has become a classic. The spice of the rum lends itself well to the bold flavor of dark roasted coffee, then melds with the rich smoothness of the Madagascar vanilla bean and a touch of pure cane sugar to create a decadent treat. Crafted for enchanting specialty coffee drinks, try this flavor in lattes, cappuccinos, frappés and more.
