PAPERCON**®

A simple step toward a sustainable future

## The Pan Liner of the Future is HERE!!

- 🌱 Reusable pan liner for standard baking applications
- 🌱 Sustainable chromium free multiple bake release
- 🌱 Made from total chlorine free unbleached paper fiber
- 🌱 Perfect for baking, food wrapping, interleaving, or micro-wave use
- 🌱 FDA compliant and Kosher certified for demanding food applications
- 🌱 Recommended maximum baking temp is 400 degrees Fahrenheit

## The easy way to reduce costs and improve profits

- 🌱 Bake twice and reduce your pan liner cost in half
- 🌱 Certain types of baked products will allow up to 3 to 4 uses
- 🌱 You control your cost reduction
- 🌱 Printed Bake 'N' Reuse™ carton reminds your employees to reuse

## Maximize Sustainability by reducing waste in two significant ways

- 1.) Each time you reuse our pan liner you make a major contribution towards reducing raw material waste which is a key component of environmental stewardship
- 2.) The production of unbleached paper provides significant reductions in waste versus bleached paper\*
  - 🌱 20% less wood used
  - 🌱 51% less waste water
  - 🌱 20% less net energy used
  - 🌱 26% less solid waste
