BEVERAGE DISPENSERS

## UPSCALE BEVERAGE DISPENSERS

Upscale beverage solutions dress up any beverage station, hotel lobby or catered event. TableCraft's upscale Beverage Dispensers are perfect for serving refreshing beverages to large groups. These durable designs allow for indoor and outdoor use. The Stainless Steel lid and double wall base with the BPA-free reservoir allow you to serve your chilled or infused beverages in style. Stainless Steel infuser included so you can add your choice of fruits, herbs or other ingredients to any beverage. Stainless Steel ice core included to keep your drinks cool without watering them down.
