

Coated Fries

Full flavoured & crispy

When you serve a coated potato product full of flavour it does two very important things; it enhances crispiness and it extends the time the product stays hot and delicious. With different coatings and flavour options, Cavendish Farms® has something to fit every establishment's needs.

Cavendish Farms Coated Fries

We are willing to 'bet the farm' that you will find a new signature fry among Cavendish Farms' Coated Fries.

FINE COAT™
9/32" SHOESTRING
56210 07710

Fine Coat™

It's the best of both worlds! All the advantages of a traditional fry with the benefits of a coated fry. Its amazing invisible coating provides extended hold time and crispness while locking in the great potato flavour. Fine Coat™ fries provide great plate coverage and more servings per case.

The Fine Coat™ Advantage

- Natural potato flavour with a crispy shell
- Excellent plate coverage
- Skin-on options available
