FLAVOR

BALANCED HEAT - NEVER COMPETES

The flavor of your food is what sets you apart. Yet, with condiments in play, the final touch is really in the hands of your customers. That's why it is vital that the hot sauce provided always complements your fine food flavors and never masks them with the sharp, vinegary heat typical of most hot sauce brands.

UNCAP REAL FLAVOR...

Cholula's exclusive blend of piquin peppers, chili de arbol and signature spices celebrates food flavors, never overwhelming them with heat.
