# 4400 Series

## Features & Benefits

**Cord hook:** Keeps the power cord off the floor, avoids the problem of rolling over the cord when moving the unit.

- ① **Front breathing design:** means no bumpers on the back and no grills in the side. You can put your unit flush to the wall in the back and put other equipment right next to it, saving valuable kitchen space.
- ② **6" deep pans:** 4400's perform, even with product, placed in large volume 6" deep pans. Delfield's 4400 prep tables adapt to your operation, you don't have to adapt your operation to the equipment capabilities.
- ③ **Tough, easy to clean ABS interiors:** They stand up to wear and tear in a busy kitchen and are easy to keep clean and sanitary.
- ④ **Reversible cutting board:** Easy to clean, convenient to use. Antimicrobial treatment for increased sanitation.
- ⑤ **Long life door gasket:** Durable vinyl material, magnetic snap in type design for assured door seal and easy removal for cleaning or replacement. Protected from tearing by thermoformed ABS door liner that comes out past the gasket to keep pans, boxes and other items from coming into contact with the gasket as they are loaded and unloaded.
- ⑥ **Mounted on casters:** Casters make the unit easy to move for cleaning or reorganization.
- ⑦ **Large capacity interiors:** Lots of storage space and easy shelf adjustment.
