Try our NEW Hot Cocoa with Chocolate Chips

Stir up some instant decadence with this velvety-smooth Hot Cocoa. This harmonious blend brings together quality ingredients, including premium cocoa powder and mini semi-sweet chocolate chips for that rich, chocolaty taste you expect from Ghirardelli. *Single Serving: 1 oz. cocoa mix with 6 fl. oz. hot water.*

#62488

#62487

Hot Chocolate is on nearly
22% of all menus.¹

Hot Cocoa is largely seen as a decadent treat, so consumers are more willing to pay extra for the occasion in which they choose to indulge. Additionally, the industry is seeing a shift in consumers converting to more premium products like Ghirardelli.²
