

At LBP Manufacturing we believe your packaging should speak volumes for your business. Our high performing line of fluted clamshells are designed with your menu and your brand in mind from *back-of-house* to *front-of-house*.

VERSATILE, affordable, sustainable package for all your menu needs

- Premium burgers and sandwiches
- Heavy sauced items such as bar-b-que chicken, rib tips and wings
- Full meals for takeout breakfast, lunch and dinner

DEPENDABLE whether dining in or at the drive thru

Front of House

Small corrugated flutes nested between a top and base sheet create the perfect hot or cold food handling environment.

Flutes make all of the difference

INSULATION is provided thus maintaining food temperature and appearance

MOISTURE flows freely keeping veggies crisp and bread fresh

GREASE - RESISTANT barrier maintains package integrity and appearance

naturally green

- 100% Compostable
- Reviewed and approved for commercial composting systems
- All fluted clamshells contain up to 45% post-consumer recycled paper.

Back of House

Packaging that does it all. Insulates. Displays. Serves.

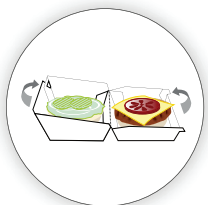

BUILD a sandwich the efficient way - in the box

SECURE closure ensures items stay in place

Easy to do with a simple one handed closure

STURDY construction is optimal for stacking and drive thru service

COMPACT case cube designed for optimized nesting efficiency, on the line or on the shelf

STABILITY UNDER PRESSURE

Dual front locking system allows clamshell to remain closed and secure with hot entrees inside, even while stacked.

ABILITY TO CUSTOMIZE FOR ANYTHING YOU SERVE

If you can't find it in our stock line, our Innovation and Design teams will make your vision come to life.

- Custom sizes and materials available • Kraft/kraft material also available

PRINT 4-6 color spot and process printing capabilities

WINDOW to enhance the appeal of your food

EMBOSS or de-boss as an alternative to printing
