Leer has been designing, building and improving ice merchandisers since 1952. We keep a large inventory of finished goods and replacement parts on hand at all times. Over 50 models of merchandisers, including cash-less self-vending machines are available from stock and through our distribution partners.

You make the ice, we’ll help you sell it.

Classic Outdoor Ice Merchandisers

- Water-tight lock-form seam construction for a stronger and more durable cabinet with all steel construction.
- Premier quality construction with the straightest edges and minimal foam bleed.
- ’Box Frame’ constructed for optimal strength and increased resistance to freight damage.
- Hot-dipped galvanized top-coated steel door with premium fluorocarbon paint system.
- 70% more open air channels than other brands to provide air flow.
- Low temperature sealed condensing units.
- Two-part acrylic polyurethane coating offers mid-range gloss and excellent weather ability. Epoxy primer formulated to have excellent adhesion and corrosion and humidity resistance.
- PVC bottom skid plates for non-marking of floor surfaces.
- Door openings feature high impact vinyl breaker strips to provide better impact resistance and greater durability to handle harsh conditions.
- Drain plug – recessed drain for easier and complete water draining.
- Easily accessible refrigeration service valves.
- Drop-down unit cooler allows ease of service.
- Now featuring electronic controls.
- Packaged with non-marking corner protective V-boards and dust cover for dirt/debris protection.
- Customized exterior paint, logos and wraps
- Blue “ICE” decals
- Bumper guards
- Diamond plate trim
- Heavy-duty refrigeration available for automatic defrost models
- Call for additional options! (800)-766-5337

Classic Outdoor Ice Merchandisers

Leaders in Quality
All Leer outdoor merchandisers feature the finest cabinet construction assembled under the industry’s toughest quality control standards. That means they’ll be standing strong, ready to sell ice for many years to come.

Leaders in Innovation
Leer outdoor merchandisers feature reinforced, embossed Durapon Coated steel doors with welded PVC frame; total steel cabinet construction; optional custom finishes; and quick recovery, low-temp, balanced refrigeration. Innovations like these have helped us set industry standards for improving your return on investment.
