## - Only one thing can top the MagiKitch'n Griddle - **CHROME**

Our superior process will bond hardened chrome to the A400 steel substrate. This surface **can not chip** like other cheaper versions of chrome griddles.

### The Polished Chrome Surface Provides:

- Quick searing action
- Better caramelization
- Faster cook times
- Reduced flavor migration
- Cooler ambient temperatures
- Better energy efficiency
- Chrome kit includes: scraper, palmetto brush, spatula & MagiKitch'n griddle cleaner
