Mighty^{lite}[™]

Insulated Pan Carriers

60%
Lighter
than traditionally molded carriers

The ultra light, super-strong insulated carrier designed to truly help operators move hot & cold bulk food more easily has arrived! Why settle for heavier, more expensive carriers that are nearly impossible to move when loaded with food. Pick up a Mightylite carrier and save yourself a whole lot of money and back pain!

Carries easy.

Ergonomic 8-handle design

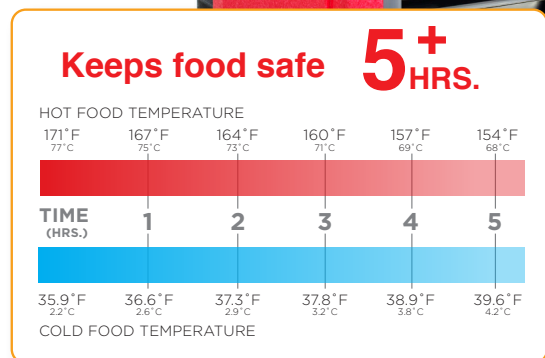

Ultra light with 8 convenient handles, the ultimate design for lifting, carrying, and moving in any situation. Mightylite makes moving hot & cold food a lot easier!

Holds safe.

Safe & appetizing food every time

Load them up with food and confidently hold safe for hours. Smaller size ML300 holds up to (4) full size pans, larger ML400 holds up to 6.

Lasts long.

Advanced polymer foam construction

The unbelievable strength-to-weight ratio and ability to absorb impact make Mightylite carriers perfect for lifting and withstanding the rigors of off-site food transport!
