

PLAQUE-A-RACK

Carlisle's Plaque-A-Rack System is the proven standard in custom rack labeling. The highly visible plaques fit up to three across on both bases and extenders for complete versatility. Plaques can be easily added, removed, or changed as needed. Sturdy reusable plaques are made from a high-impact plastic and won't come off during the normal wear and tear of daily usage – offering a permanent identification system for the life of your racks.
