

STAND UP DESKS

32" & 42" STANDING DESKTOP DESK WITH FOLDABLE LEGS STAND-SD32F & STAND-SD42F

The Standing Desktop Desk with Foldable Legs is Luxor's latest and most versatile desktop converter. With four fully collapsible legs and a discreet carrying handle, users can easily update their workspace to a standing desk or compactly store the desktop when not in use. The workstation requires no assembly and is height adjustable in 1" increments. This model is an excellent choice to affordably update your workspace without purchasing an entirely new desk. Choose from the 32" or 42" wide desktops to create a healthy and ergonomic environment.

Four fully collapsible legs

Discreet carrying handle

- Light weight and adaptable for any flat work surface in offices, homes, dorms, healthcare facilities, hotels, and classrooms
