QUADGRIP™ CUTTING BOARDS

Introducing a groundbreaking cutting board system that will change the way you cut, while slicing costs long-term. The new QuadGrip™ Cutting Boards offer a **refillable** solution to your cutting board needs. These **double-sided, replaceable** boards fit snugly in the dishwasher safe QuadGrip™ frame, plus come in **white** and **HACCP** colors.

QuadGrip™ Cutting Boards with **SmartCheck™** have an additional food safety **revolutionizing** feature, a **one-of-a-kind** SmartCheck™ Visual Indicator in a contrasting color that shows when it's **time to change** the boards. This helps prevent the growth of bacteria and ensure **a clean, safe cutting surface every time.**
