SUPERMARKET SOLUTIONS

Carlisle's Sparta Spectrum Color-Coded Supermarket Kits are specifically designed to support your HACCP initiatives. These kits help ensure sanitary maintenance of equipment and designated work areas by aiding in the prevention of hazardous cross-contamination. Carlisle's Sparta Spectrum Supermarket Kits make it easy to set up a HACCP program in your store. Five color-coded kits are designed so your employees can segregate brushes by purposes and work zones. Carlisle has identified five Spectrum colors for HACCP work zone identification.

The five HACCP work zones are:

- Yellow - Bakery
- White - Deli
- Red - Meat
- Green - Produce
- Blue - Seafood

Only **Colortech™** Rotary Brushes outlast floor pads more than 200 to 1*

Rotary Brushes are the simple solution. They clean more effectively, using nylon filament impregnated with Silicon Carbide grit. And, Carlisle offers a wide selection of rotary brushes to match all of your floor care needs including stripping, scrubbing and general cleaning of high traffic areas in office buildings, malls, schools, hospitals, and stores.

Advantages over pads:

- Rotary brushes outlast floor pads more than 200 to 1, ultimately saving you time and money
- Reduces packaging, storage and waste
- Lowers labor cost by reducing change out frequency and time
- Eliminates pad tearing and the need to re-center pads
- All rotary brushes utilize durable plastic blocks specially constructed to provide long lasting, superior performance
- Brushes perform well on all types of surfaces including new or old floors with uneven surfaces
- Solution feed design allows cleaning solution to flow through rotary brush block for thorough cleaning

**Based on an independent 2009 University of Illinois Colortech™ Rotary Brush Study - Durability/Sustainability*
