

Trimmers **CUT OUT**
for the way you work

Swingline®

DESIGNED FOR THE WAY YOU WORK™

Portable

Lightweight and easy to transport

For the business professional who needs a trimmer that is easy to use and lightweight to carry, Swingline's portable trimmers are the best choice. Designed to fit into a tote or briefcase, so you can easily trim anywhere.

Portable trimmers are also the right size to fit into a desk drawer when not being used.

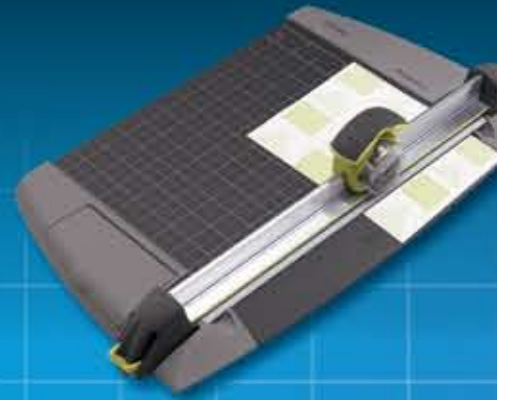

Ideal for trimming photos, labels, business cards, and more.

DESIGNED FOR THE WAY YOU WORK™

Desktop

Durable for everyday cutting

If you are a daily trimmer user and prefer to keep the trimmer on your desk, choose among Swingline's desktop trimmers. They offer more durability and a larger work surface for everyday cutting needs. Perfect for use in home offices, small offices, individual workspaces, and schools.

Select models offer innovative features such as a cutting line indicator, multiple cutting styles in one dial, and a completely encased rotary blade cartridge.

Use to trim paper, presentations, photos, classroom projects, and more.

Shared

Heavy-duty for high volume and larger formats

Swingline shared trimmers are heavy-duty to withstand frequent use in large offices, print shops, copy rooms, schools, and other shared environments.

Available with the largest surface areas of all the Swingline trimmers, they can handle cutting oversized documents such as blueprints, posters, and artwork. With the highest sheet capacity, cutting thick stacks of paper is an easy task.

Great for trimming presentations, large projects, flyers, thick stacks of bond paper, and other office documents.

Swingline trimmers meet every demand

	Sheet Capacity	Portability	Cutting Styles	Thicker Materials	Larger Formats
