

TUFFY UTILITY CART

TUFFY UTILITY CART – THREE SHELVES

Carry your load with Luxor's high density three-shelf utility cart. Specially constructed with injection molded thermoplastic resin, the Tuffy will never chip, warp, crack, rust, or peel. An ergonomic push handle guides the cart over any flooring on hefty 4" casters, enabling heavy loads to be transported through numerous environments such as food services, warehouses, garages, schools, and businesses. Proudly made in USA, each shelf is 1.5" thick and has a textured surface with a retaining lip to keep products in place. Choose the color that best works for your needs and allow this dependable cart to store and transport your supplies.

WT34S

- Body will never rust, dent, scratch, or stain
- Eco-friendly; shelves and legs are made from recyclable material
- Shelves minimize product movement with ¼" retaining lip and textured surface
- Ergonomic push handle easily steers cart
- Sturdy 1.5" square legs strongly support shelves
- Smoothly transports with 4" silent, full swivel casters and two locking brakes
