

Anti-Jam Stainless Steel **STEAM TABLE/ HOTEL PANS**

Features & Benefits

22 Gauge, 300 Series Stainless Steel

Creates a durable, heavy-duty pan that can withstand the busiest of kitchens

Reinforced, Indented Corner Design

The more bends in the steel of your hotel pan, the stronger it becomes, making it dent and ding resistant

Indented corner design allows for easy pouring

Rounded corners at the bottom of the pan allow for easy scooping

Anti-Jam Design

Prevents pans from sticking together during storage

Helps eliminate wasted time trying to pull apart pans

Higher Rim, Flat Edges

Flat edges lay tight against the rim of your warmer

Prevents loss of steam for energy savings as well as a better product for your customers

One Year Warranty

Protects against defects in materials and workmanship

MADE IN

AMERICA

Oven, Freezer & Dishwasher Safe

Anti-Jam Stainless Steel STEAM TABLE/ HOTEL PANS
