

Cleaning Instructions for Wood

Everyday Care & Cleaning

- Wipe surfaces with a damp, soft cloth (prolonged use of soap may harm the finish)
- For extra care, use PLUSH wood Cleaner and Restorer-
 - Cleans and maintains the original sheen of the finish
 - Formulated for today's modern wood sheens
 - Helps prevent printing and dries completely free of oil residue
 - Easy to use

PLUSH Directions:

1. SHAKE WELL BEFORE USING
2. Make sure surface is clean and dry
3. Apply sparingly to soft lint-free cloth
4. Disperse PLUSH evenly throughout the cloth, squeezing several times
5. Polish surface then wipe dry with a clean cloth
