

TA-255AP Compatibility Notes - 05/04/2017

Model	Notes
EK-SS-369M	For use on units manufactured after 2015.
EK-SS-369	For use on units manufactured after 2015.
EK-SS-368M	For use on units manufactured after 2015.
EK-SS-368	For use on units manufactured after 2015.
EK-SS-367M	For use on units manufactured after 2015.
EK-SS-367	For use on units manufactured after 2015.
EK-SS-3612M	For use on units manufactured after 2015.
EK-SS-3612	For use on units manufactured after 2015.
EK-SS-3610M	For use on units manufactured after 2015.
EK-SS-3610	For use on units manufactured after 2015.
EK-SS-309M	For use on units manufactured after 2015.
EK-SS-309	For use on units manufactured after 2015.
EK-SS-308M	For use on units manufactured after 2015.
EK-SS-308	For use on units manufactured after 2015.
EK-SS-307M	For use on units manufactured after 2015.
EK-SS-307	For use on units manufactured after 2015.
EK-SS-3012M	For use on units manufactured after 2015.
EK-SS-3012	For use on units manufactured after 2015.
EK-SS-3010M	For use on units manufactured after 2015.
EK-SS-3010	For use on units manufactured after 2015.
EK-SS-249M	For use on units manufactured after 2015.
EK-SS-249	For use on units manufactured after 2015.
EK-SS-248M	For use on units manufactured after 2015.
EK-SS-248	For use on units manufactured after 2015.
EK-SS-247M	For use on units manufactured after 2015.
EK-SS-247	For use on units manufactured after 2015.
EK-SS-2412M	For use on units manufactured after 2015.
EK-SS-2412	For use on units manufactured after 2015.
EK-SS-2410M	For use on units manufactured after 2015.
EK-SS-2410	For use on units manufactured after 2015.
EF-SS-369M	For use on units manufactured after 2015.
EF-SS-369	For use on units manufactured after 2015.

EF-SS-368M	For use on units manufactured after 2015.
EF-SS-368	For use on units manufactured after 2015.
EF-SS-367M	For use on units manufactured after 2015.
EF-SS-367	For use on units manufactured after 2015.
EF-SS-3612M	For use on units manufactured after 2015.
EF-SS-3612	For use on units manufactured after 2015.
EF-SS-3610M	For use on units manufactured after 2015.
EF-SS-3610	For use on units manufactured after 2015.
EF-SS-309M	For use on units manufactured after 2015.
EF-SS-309	For use on units manufactured after 2015.
EF-SS-308M	For use on units manufactured after 2015.
EF-SS-308	For use on units manufactured after 2015.
EF-SS-307M	For use on units manufactured after 2015.
EF-SS-307	For use on units manufactured after 2015.
EF-SS-3012M	For use on units manufactured after 2015.
EF-SS-3012	For use on units manufactured after 2015.
EF-SS-3010M	For use on units manufactured after 2015.
EF-SS-3010	For use on units manufactured after 2015.
EF-SS-249M	For use on units manufactured after 2015.
EF-SS-249	For use on units manufactured after 2015.
EF-SS-248M	For use on units manufactured after 2015.
EF-SS-248	For use on units manufactured after 2015.
EF-SS-247M	For use on units manufactured after 2015.
EF-SS-247	For use on units manufactured after 2015.
EF-SS-2412M	For use on units manufactured after 2015.
EF-SS-2412	For use on units manufactured after 2015.
EF-SS-2410M	For use on units manufactured after 2015.
EF-SS-2410	For use on units manufactured after 2015.
EB-SS-369M	For use on units manufactured after 2015.
EB-SS-369	For use on units manufactured after 2015.
EB-SS-368M	For use on units manufactured after 2015.
EB-SS-368	For use on units manufactured after 2015.
EB-SS-367M	For use on units manufactured after 2015.
EB-SS-367	For use on units manufactured after 2015.

EB-SS-3612M	For use on units manufactured after 2015.
EB-SS-3612	For use on units manufactured after 2015.
EB-SS-3610M	For use on units manufactured after 2015.
EB-SS-3610	For use on units manufactured after 2015.
EB-SS-309M	For use on units manufactured after 2015.
EB-SS-309	For use on units manufactured after 2015.
EB-SS-308M	For use on units manufactured after 2015.
EB-SS-308	For use on units manufactured after 2015.
EB-SS-307M	For use on units manufactured after 2015.
EB-SS-307	For use on units manufactured after 2015.
EB-SS-3012M	For use on units manufactured after 2015.
EB-SS-3012	For use on units manufactured after 2015.
EB-SS-3010M	For use on units manufactured after 2015.
EB-SS-3010	For use on units manufactured after 2015.
EB-SS-249M	For use on units manufactured after 2015.
EB-SS-249	For use on units manufactured after 2015.
EB-SS-248M	For use on units manufactured after 2015.
EB-SS-248	For use on units manufactured after 2015.
EB-SS-247M	For use on units manufactured after 2015.
EB-SS-247	For use on units manufactured after 2015.
EB-SS-2412M	For use on units manufactured after 2015.
EB-SS-2412	For use on units manufactured after 2015.
EB-SS-2410M	For use on units manufactured after 2015.
EB-SS-2410	For use on units manufactured after 2015.
CK-SS-369M	For use on units manufactured after 2015.
CK-SS-369	For use on units manufactured after 2015.
CK-SS-368M	For use on units manufactured after 2015.
CK-SS-368	For use on units manufactured after 2015.
CK-SS-367M	For use on units manufactured after 2015.
CK-SS-367	For use on units manufactured after 2015.
CK-SS-3612M	For use on units manufactured after 2015.
CK-SS-3612	For use on units manufactured after 2015.
CK-SS-3610M	For use on units manufactured after 2015.
CK-SS-3610	For use on units manufactured after 2015.

CK-SS-309M	For use on units manufactured after 2015.
CK-SS-309	For use on units manufactured after 2015.
CK-SS-308M	For use on units manufactured after 2015.
CK-SS-308	For use on units manufactured after 2015.
CK-SS-307M	For use on units manufactured after 2015.
CK-SS-307	For use on units manufactured after 2015.
CK-SS-3012M	For use on units manufactured after 2015.
CK-SS-3012	For use on units manufactured after 2015.
CK-SS-3010M	For use on units manufactured after 2015.
CK-SS-3010	For use on units manufactured after 2015.
CK-SS-249M	For use on units manufactured after 2015.
CK-SS-249	For use on units manufactured after 2015.
CK-SS-248M	For use on units manufactured after 2015.
CK-SS-248	For use on units manufactured after 2015.
CK-SS-247M	For use on units manufactured after 2015.
CK-SS-247	For use on units manufactured after 2015.
CK-SS-2412M	For use on units manufactured after 2015.
CK-SS-2412	For use on units manufactured after 2015.
CK-SS-2410M	For use on units manufactured after 2015.
CK-SS-2410	For use on units manufactured after 2015.
CF-SS-369M	For use on units manufactured after 2015.
CF-SS-369	For use on units manufactured after 2015.
CF-SS-368M	For use on units manufactured after 2015.
CF-SS-368	For use on units manufactured after 2015.
CF-SS-367M	For use on units manufactured after 2015.
CF-SS-367	For use on units manufactured after 2015.
CF-SS-3612M	For use on units manufactured after 2015.
CF-SS-3612	For use on units manufactured after 2015.
CF-SS-3610-M	For use on units manufactured after 2015.
CF-SS-3610	For use on units manufactured after 2015.
CF-SS-309M	For use on units manufactured after 2015.
CF-SS-309	For use on units manufactured after 2015.
CF-SS-308M	For use on units manufactured after 2015.
CF-SS-308	For use on units manufactured after 2015.

CF-SS-307M	For use on units manufactured after 2015.
CF-SS-307	For use on units manufactured after 2015.
CF-SS-3012M	For use on units manufactured after 2015.
CF-SS-3012	For use on units manufactured after 2015.
CF-SS-3010M	For use on units manufactured after 2015.
CF-SS-3010	For use on units manufactured after 2015.
CF-SS-249M	For use on units manufactured after 2015.
CF-SS-249	For use on units manufactured after 2015.
CF-SS-248M	For use on units manufactured after 2015.
CF-SS-248	For use on units manufactured after 2015.
CF-SS-247M	For use on units manufactured after 2015.
CF-SS-247	For use on units manufactured after 2015.
CF-SS-2412M	For use on units manufactured after 2015.
CF-SS-2412	For use on units manufactured after 2015.
CF-SS-2410M	For use on units manufactured after 2015.
CF-SS-2410	For use on units manufactured after 2015.
CB-SS-369M	For use on units manufactured after 2015.
CB-SS-369	For use on units manufactured after 2015.
CB-SS-368M	For use on units manufactured after 2015.
CB-SS-368	For use on units manufactured after 2015.
CB-SS-367M	For use on units manufactured after 2015.
CB-SS-367	For use on units manufactured after 2015.
CB-SS-3612M	For use on units manufactured after 2015.
CB-SS-3612	For use on units manufactured after 2015.
CB-SS-3610M	For use on units manufactured after 2015.
CB-SS-3610	For use on units manufactured after 2015.
CB-SS-309M	For use on units manufactured after 2015.
CB-SS-309	For use on units manufactured after 2015.
CB-SS-308M	For use on units manufactured after 2015.
CB-SS-308	For use on units manufactured after 2015.
CB-SS-307M	For use on units manufactured after 2015.
CB-SS-307	For use on units manufactured after 2015.
CB-SS-3012M	For use on units manufactured after 2015.
CB-SS-3012	For use on units manufactured after 2015.

CB-SS-3010M	For use on units manufactured after 2015.
CB-SS-3010	For use on units manufactured after 2015.
CB-SS-249M	For use on units manufactured after 2015.
CB-SS-249	For use on units manufactured after 2015.
CB-SS-248M	For use on units manufactured after 2015.
CB-SS-248	For use on units manufactured after 2015.
CB-SS-247M	For use on units manufactured after 2015.
CB-SS-247	For use on units manufactured after 2015.
CB-SS-2412M	For use on units manufactured after 2015.
CB-SS-2412	For use on units manufactured after 2015.
CB-SS-2410M	For use on units manufactured after 2015.
CB-SS-2410	For use on units manufactured after 2015.
