

800386 Compatibility Notes - 02/03/2017

Model	Notes
G4SM-23-LD Bronze	Check workorder for correct control
G4SM-23PT-LD Black	Check workorder for correct control
G4SM-23PT-LD Bronze	Check workorder for correct control
G4SM-23PT-LD White	Check workorder for correct control
G4SM-23-RGS-LD Black	Check workorder for correct control
G4SM-23-RGS-LD Bronze	Check workorder for correct control
G4SM-23-RGS-LD White	Check workorder for correct control
G4SM-23RL	Check workorder for correct control
G4SM-23RL-SI	Check workorder for correct control
GDM-10	Per PCN 7810 replaces the 962728
GDM-10-58	Per PCN 7810 replaces the 962728
GDM-10RB	Per PCN 7810 replaces the 962728
GDM-10RF	Per PCN 7810 replaces the 962728
GDM-12-LD White	Per PCN 7810 replaces the 962728
GDM-12-LD White, Left Hinge	Per PCN 7810 replaces the 962728
GDM-14	Check workorder for correct control
GDM-14RF	Check workorder for correct control
GDM-14RF-LD	Check workorder for correct control
GDM-23-2	Check workorder for correct control
GDM-23HL	Check workorder for correct control
GDM-23-LD	Check workorder for correct control
GDM-23PT	Check workorder for correct control
GDM-23RF	Check workorder for correct control
GDM-23RL	Check workorder for correct control
GDM-23W-LD	Check workorder for correct control
GDM-23W-RF	Check workorder for correct control
GDM-26	Check workorder for correct control
GDM-26HL	Check workorder for correct control
GDM-26-LD	Check workorder for correct control
GDM-26RF	Check workorder for correct control
GDM-26W	Check workorder for correct control
GDM-26W-RF	Check workorder for correct control
GDM-33CPT-GASI	Check workorder for correct control
GDM-33CPT-LD BLACK	Check workorder for correct control
GDM-33CPT-LD White	Check workorder for correct control
GDM-33SSL-54-LD BLACK	Check workorder for correct control
GDM-33SSL-54-LD WHITE	Check workorder for correct control
GDM-41CPT-48	Check workorder for correct control
GDM-47-LD Black	Check workorder for correct control
GDM-47-LD White	Check workorder for correct control
GDM-47RL-LD Black	Check workorder for correct control. Used before 7/1/1010 in Mexico & before 7/23/2010 in Ofallon (pcn #4131/4600) w/ Danfoss compressor. Check workorder for correct compressor.
GDM-47RL-LD White	Check workorder for correct control. Used before 7/1/1010 in Mexico & before 7/23/2010 in Ofallon (pcn #4131/4600) w/ Danfoss compressor. Check workorder for correct compressor.
GEM-23-LD Black	Check workorder for correct control
GEM-23-LD Bronze	Check workorder for correct control
GEM-23-LD Cherry	Check workorder for correct control
GEM-23-LD White	Check workorder for correct control
GEM-23RF	Check workorder for correct control
GEM-26	Check workorder for correct control
GEM-47	Check workorder for correct control. Used before 7/1/1010 in Mexico & before 7/23/2010 in Ofallon (pcn #4131/4600) w/ Danfoss compressor. Check workorder for correct compressor.
TCGD-59 BLACK	Check workorder for correct control
TCGD-59 Stainless Steel	Check workorder for correct control
TCGD-59 WHITE	Check workorder for correct control

TCGDZ-50 Black	Check workorder for correct control
TCGDZ-50 Stainless Steel	Check workorder for correct control
TCGDZ-50 WHITE	Check workorder for correct control
TCGDZ-59 BLACK	Check workorder for correct control
TCGDZ-59 Stainless Steel	Check workorder for correct control
TCGDZ-59 WHITE	Check workorder for correct control
TCGR-31	Check workorder for correct control
TCGR-36 BLACK	Check workorder for correct control
TCGR-36 Stainless Steel	Check workorder for correct control
TCGR-36 WHITE	Check workorder for correct control
TFM-41FL Black	Check workorder for correct control. TFM-41FL-CFR models can run as freezer or a cooler. They have a freezer control 917838 or this cooler control 960640. There is a switch 956518 that determines/switches which control is active.
TFM-41FL White	Check workorder for correct control. TFM-41FL-CFR models can run as freezer or a cooler. They have a freezer control 917838 or this cooler control 960640. There is a switch 956518 that determines/switches which control is active.
TFM-51FL Black	Check workorder for correct control. TFM-41FL-CFR models can run as freezer or a cooler. They have a freezer control 917838 or this cooler control 960640. There is a switch 956518 that determines/switches which control is active.
TFM-51FL White	Check workorder for correct control. TFM-41FL-CFR models can run as freezer or a cooler. They have a freezer control 917838 or this cooler control 960640. There is a switch 956518 that determines/switches which control is active.
