

Care and Use Instructions:

- Wash with warm soapy water or in dishwasher before initial use
- Do not place lid on direct heat or flame
- Please keep lid distance minimum of 6 inches from heat source (ex: flame, element)
- Use caution when removing lid from hot pan
- Do not pierce with sharp instrument
- Do not submerge in boiling oil
- Do not overstretch to non-suitable pans and containers
- Do not stretch while warm
- Always use gloves when handling hot product
- Do not use scourers or harsh abrasives
- Can withstand cooking/freezing temperatures between -40°F - 428°F
- For maximum performance, ensure pan & lid are dry and clean of any food or residue of any sort
- Carefully feed pan/lid onto rails of food pan carriers and combi ovens.

NSF Listed
