HAND SINK SPLASH GUARD KITS

Cost Effective...

Quick and Easy to Install!

Simply remove the adhesive tape backing, set in place, and finish with silicone sealant.

- Kit includes tape and silicone sealant

No. 117-1472 Left side

No. 117-1473 Right side

No. 117-1474 Left and right side

*When compared to total sink replacement or alternate splash guard installation methods.

Food code requires that effective splash guard protection is required if sinks are located within 18" of adjoining food, food contact surfaces, or utensil washing and storage area surfaces.
