

January 1, 2020

To Whom It May Concern:

All Ghirardelli Chocolate Company food products are manufactured with ingredients that maintain GRAS (Generally Recognized As Safe) status as defined by the United States Food and Drug Administration.

All products are manufactured and packaged in strict compliance with all the rules and regulations of the FDA, and are fit for human consumption.

Exact ingredients are listed on the label of each package.

Ghirardelli Chocolate Company is certified kosher by KOF-K Kosher Supervision, however, Ghirardelli Chocolate Company is not Halal certified and we do not guarantee that our products comply with all Halal requirements.

If you have further questions, please feel free to contact us at 1-800-877-9338.

Sincerely,
Ghirardelli Chocolate Company
