

Master's GAUGE™ COLLECTION

INTRODUCING

A HIGHER STANDARD OF STYLE AND SUBSTANCE

MAKE A BOLD IMPRESSION WITH
LIBBEY'S FINEST FLATWARE.

Libbey's new Master's Gauge™ collection of 18/10 flatware sets a new standard of modern beauty and durability. A striking selection of unique colors, textures and profiles – featuring European influences with larger handles and longer tines. Part of our World® Tableware brand, this inspired collection is ideal for complementing trend-forward presentations in fine dining and hospitality environments.

WORLD®
TABLEWARE

LIBBEY®

AUDREY — Faceted design is the embodiment of “jewelry for the table.” 11 SKUs, including Steak Knife and Iced Tea Spoon. No. 945

BAROQUE — Tapered handles with etched detailing create upscale appearance. 14 SKUs. No. 412 and 312

BAYSIDE — Rope detailing provides a nautical, textured feel. 10 SKUs, including Iced Tea Spoon and Cocktail Fork. No. 936

EQUITY — Contemporary take on a classic shape. Sand blasted handles give a sleek matte finish, while resisting fingerprints. 9 SKUs. No. 703

GALILEO — Pairs with Constellation™ dinnerware Galileo™ design. Thick handles and texture are easy to hold. 10 SKUs, including Steak Knife. No. 938

GIOVANNI — Ornate yet trend-forward flatware ideal for retro-inspired presentations. 10 SKUs, including Steak Knife. No. 935

HIGH RISE — Sleek, modern design pairs beautifully with new World® Tableware color dinnerware. 10 SKUs, including Serving Spoon. No. 934

LUCINE — Gently curved handles with a highly polished mirror finish. 12 SKUs, including a Steak Knife and Stand-Up Dinner Knife. No. 944

12 BOLD PATTERNS

From the brilliant iridescence of Santa Cruz Chroma to the elegant matte black of High Rise, these 12 patterns are designed from industry insights and trends to deliver a signature experience to your guests. Further distinguish your presentations with custom tumbling options for a unique vintage look.

Set your presentations apart with Libbey's most distinctive flatware – contact your Libbey® sales representative for samples and more information!
