

Reusable Baking Sheet Pan Liner

CARE & MAINTENANCE INSTRUCTIONS

Last up to 100 uses • Easy clean up • Saves time & money!

An eco friendly, cost efficient, versatile option for your specific baking pan needs, over everyday disposable options.

CAUTIONS & GOOD PRACTICES

Prior to using liners for the first time, wipe with a mild detergent and damp cloth. Avoid the use of chemicals or solvents.

Repeat this cleaning process after every use.

DO NOT scrape or clean your liners with sharp utensils. DO NOT clean with abrasive cleaning materials.

Liners are dishwasher safe, although for prolonged use, wash by hand.

GOOD TO KNOW

NEVER place liners on oven floors or near the heat source, such as heat coils and open flames

Replace liner when the non-stick surface shows wear.

Use of animal fats greatly shortens product life.

Liners are microwave oven safe.

The maximum operating temperature is 550°F.
