

ROSEMARY MULTI-SURFACE CONCENTRATE

INGREDIENTS	WHAT IS IT?	WHAT DOES IT DO?
Water	deionized/demineralized water that has passed through filters to remove minerals	holds all ingredients together in solution
Sodium Methyl 2-Sulfolaurate	surfactant with viscosity modifying characteristics from coconut	provides foaming and cleaning
Decyl Glucoside	sugar- derived surfactant	helps keep other ingredients blended while cleaning
Sodium Citrate	plant-derived salt	stabilizes formula
Fragrance	mixture of high quality essential oils and plant-derived fragrance ingredients	smells great and provides an aromatherapeutic experience
Lauryl Glucoside	sugar derived surfactant	provides cleaning efficacy and stability to formulation
Citric Acid	fruit acid	modifies the pH of the formula for optimum cleaning and stability
Tetrasodium Glutamate Diacetate	non-EDTA chelating agent	softens water to boost cleaning performance
Sodium Sulfate	mineral-derived salt	holds ingredients together
Sodium Hydroxide	alkaline chemical compound	adjusts pH and stabilizes chelant
PEG-40 Hydrogenated Castor Oil	plant based emulsifier	blends essential oils and fragrance evenly into the formula
Trideceth-9	nonionic surfactant (surface active agent)	solubilizes essential oils and fragrance evenly into the formula
Methylisothiazolinone	non-formaldehyde preservative	synthetic product preservative, < 1% of total volume to ensure shelf life stability
Benzisothiazolinone	non-formaldehyde, preservative	synthetic product preservative, < 1% of total volume to ensure shelf life stability

Contains Fragrance Allergens

Fragrance includes Rosmarinus Officinalis (Rosemary) Leaf Oil; Mentha Piperita (Peppermint) Oil; Lavandula Angustifolia (Lavender) Oil; Eucalyptus Globulus Leaf Oil; Santalum Album (Sandalwood) Oil; Salvia Sclarea (Clary) Oil; citrus aurantium dulcis (orange) peel oil; terpenesandterpenoids,lemon-oil; lavandula angustifolia (lavender) oil; eucalyptus globulus leaf oil; zingiber officinale (ginger) root oil; hakka yu; pogostemon cablin oil; rosmarinus officinalis (rosemary) leaf oil; salvia sclarea (clary) oil; fusanus spicatus wood oil
