\$250
per year,
per dispenser.¹

New ProPortion™ Handheld Dispenser

With 93% of restaurants short-staffed in their kitchen,² speed, efficiency and simplicity are more important than ever. That's why we created ProPortion™ Handheld Dispensers. So anyone can add consistent, accurate portions anywhere in the kitchen — streamlining service and increasing profits with every single squeeze.

Single & triple tips with color-coded valves in small, medium and large options

6 color-coded portion tabs, 1/4 - 1 oz

Easy-to-squeeze handle for comfortable one-handed control

Large opening for simpler, faster filling

Simple, versatile and always flavorful.

- 93% evacuation vs. 81% for squeeze bottles¹
- Consistent flavor in every bite
- Portable, user-friendly, dishwasher safe
- Ambient, chilled or heated applications
