

TABLET CHARGING & STORAGE CART

MODEL # TCSC

Dear Valued Customer,

Congratulations on your new purchase of your tablet/netbook charging and storage cart. Your cart is designed to store, protect and charge all your tablet/netbook simultaneously. You have the options of charging half or all your units at one time. The twelve shelves on each end of the unit are designed to have its 12 devices plug into the 12 outlet power strip corresponding to that side. The power strips are located at the back corner of each shelf in the recessed compartment for additional protection. The optional model #CT (2 per cart) is a 24 hour timer that will allow your devices to conveniently charge during the night or during off hours. The doors will open to a full wrap-around position to allow for full access to each shelf. Rolling the cart around your facility is easy with the industrial grade 4" casters (2 locking). Each shelf is designed to house your tablet/netbook along with the adapter. When returning your laptop to the shelf just plug the AC adapter to your device and slip it in. All of the devices will simultaneously start charging as soon as you plug in your power strips to a power source.

Sincerely,

Oklahoma Sound

Manufactures Warranty

Our carts undergo the most rigid and exacting test for superior quality and performance before leaving our factory. Oklahoma Sound warrants this product to be free from defective material and workmanship on this unit for five years from the date of resale by an authorized Oklahoma Sound distributor. Oklahoma Sound will replace defective parts and repair malfunctioning products under this warranty when the defect occurs under normal installation and use, provided that the unit is returned to our factory via prepaid transportation after direct authorization and approval from Oklahoma Sound. This warranty provides that examination of the returned product must disclose in our judgment a manufacturing defect. This warranty does not extend to any product which has been subject to misuse, neglect, accident, improper installation or where the serial number has been removed if defective and is given in lieu of any other warranty implied or expressed and will not cover any damage.

Dear Valued Customer,

Although extreme care goes into manufacturing and packing of this unit, mistakes are possible. If you encounter any defects or you feel that something is missing, please call our toll free customer service line at 1-800-261-4112 for courteous and immediate resolution to your problem.

Sincerely

Oklahoma Sound
