pH	12.9
pH of 1% solution	10.6
Specific gravity	1.047 (8.7 lbs/gal)
Stability1 Year @ Ambient Temperature
Wetting Ability	Good
Free Caustic	None
Foam	Low to Moderate
Rinsing	Complete
Solubility	Complete and Fast
EmulsificationRapid
Odor.Mild

PACKAGING:

(4) 1 gal plastic bottles - 36 lb. net / 38 lbs gross

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

DIRECTIONS FOR USE:

Apply cleaning solution to surface and allow it to remain in contact for a few seconds. Rinse or wipe clean with a damp cloth. High pressure spray gives excellent cleaning results. Do not inhale spray or vapors.

For Heavy-Duty Cleaning: Dilute with 2 to 4 parts hot water for heavy degreasing.

For Medium-Duty Kitchen Cleaning: Dilute with 6 parts hot water to clean vent hoods, fans, blowers, appliances, burners, etc.

For Light-Duty or Deep Fryer Cleaning: Dilute with 10 parts hot water. To clean deep fat fryer, heat cleaning solution to just below boiling; rinse thoroughly with water. Do not inhale vapors.

HANDLING PRECAUTIONS:

CAUTION - WARNING
KEEP OUT OF REACH OF CHILDREN

Do not take internally. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia, or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.
