DESCRIPTION

A water-based cleaner and degreaser formulated to effectively remove grease, oil, food, or any other soils from floors, walls, countertops, appliances, and more. It is low foaming for use in automatic scrubbers. Extremely concentrated, non-flammable and non-corrosive. Safe for use on all surfaces not harmed by water. Highly effective, economical, and easy to use.

DIRECTIONS

Dilute with water depending on the job requirement. Apply by mop, sprayer, sponge or automatic scrubber. Apply to surface to be cleaned and allow it to stand for several minutes. For heavier soil, agitate briskly with a brush or aggressive pad. For normal soil, allow the product to do the work. Wipe clean with a moist rag, sponge or pick up with wet vac or mop. Where applicable; rinse thoroughly with water. Avoid contact with windows or other glass surfaces.
