Description

The Avantco CP012 Countertop Snack Oven is the ideal oven for personal pizzas and cooked snacks and is a great addition to any snack bar or restaurant. It features a 13 1/2" rack to accommodate products up to 12" in diameter and 2 1/2" high, while a simple rotary 30-minute timer lets you choose the best cooking time for a variety of foods!

Dual heating elements help maintain internal temperatures at the pre-set of 450°F. The stainless steel construction is easy to clean and provides outstanding durability. A convenient removable crumb tray makes it quick and easy to clean up.
