Black Popcorn Popper

4 oz.

Features:

- Draws a crowd and can pay for itself in a few hours
- Makes 100 oz. per hour, ideal for any special event or occasion
- Quick operation with simple controls, magnetic latch, and easy-open doors
- Includes a popcorn scoop, measuring spoons, and a removable crumb tray for convenience
- Durable stainless steel frame, stainless steel 4 oz. kettle with 470W of popping power

Description:

Start popping corn and making a profit with the Grand Slam 4 oz. black commercial popcorn machine / popper! This machine is built for a crowd, making up to 100 oz. of popcorn per hour. Whether at a fair, park, arena, or other special event, it's sure to be an easy and popular offering. It can even pay for itself in just hours!

Simple controls streamline operation of the popper and include a switch for the light and a switch to begin popping. After kernels are loaded into the 4 oz. kettle, 470W of power takes over and pops the corn inside of the glass case. Because the case is made with tempered glass, it's not only safe, it showcases the popcorn to entice hungry passersby. The light helps to further merchandise the food and draw attention to the machine.

Easy-open doors provide access to the case, while a magnetic latch ensures that they close properly. To withstand frequent use, the machine features a durable stainless steel frame. The interior top and bottom, kettle, and removable crumb tray are also stainless steel. The crumb tray helps expedite cleaning after use, catching fallen kernels for easy disposal. A 120V electrical connection is required for operation.
