CP SERIES - ICE CREAM DIPPING CABINET

Display and serve your customers' favorite ice cream flavors.

CABINET CONSTRUCTION

Heavy duty construction includes a white steel interior and a type 430 stainless steel exterior, resulting in strength, durability, and an attractive appearance. Stainless steel top adds counter space to merchandise cones and toppings.

Foamed-in-place CFC- and HCFC-free polyurethane insulation enhances the structural strength of the cabinet and helps increase energy efficiency.

Front and rear grills are easily removed for cleaning and servicing. Single lid design allows for easy access.

REFRIGERATION SYSTEM

Environmentally-friendly R290 refrigerant. Front- and rear-breathing design allows for installation adjacent to other equipment or cabinetry. Cold wall design prevents cold air from escaping.

SHELVING

(4) Epoxy-coated shelves included. Each holds (2) 3-gallon ice cream tubs at the perfect height for service. Additional storage for (4) 3-gallon tubs underneath.

MODEL FEATURES

Bright LED lighting enhances product visibility. Included tub covers create a clean appearance.

Pre-drilled holes for dipper well installation on either the left or right side of the cabinet.

Included night covers protect product during off hours.

Preprogrammed digital controls.

SPECIAL FEATURES

- Eco-Friendly R290 hydrocarbon refrigerant
- Durable and attractive type 430 stainless steel exterior
- Maintains temperature from (-15) to (-8)˚F for ice cream storage and service
- Four epoxy-coated steel shelves hold (2) 3-gallon tubs each for a total of 8 tubs, with storage for (4) 3-gallon tubs underneath
- Foamed-in-place polyurethane insulation
- Easy-to-read preprogrammed digital temperature controller
- 115V; 1/2hp

TECHNICAL DATA

Dimensions

Exterior Dimensions	47⅛"W x 28"D x 51¼"H
Interior Dimensions	41¼"W x 22"D x 28¼"H
Net Volume	13.3 cu. ft.
Net Weight	240 lb.
Gross Weight	346 lb.
Packing Dimensions	51½"W x 32¼"D x 58"H
Tub Holder Capacity (3 Gallon Tubs)	8
Storage Capacity (3 Gallon Tubs)	4

Cooling

Temperature Range	(-15) to (-8)°F
Refrigerant	R290
Max. Ambient Temperature	90°F
Defrosting	Auto
Temperature Controller	Digital
Horsepower	1/2
BTU (btu/hr)	1794

Construction

Exterior Material	430 Stainless Steel
Interior Material	White-Coated Steel
Insulation Material	Foamed-In-Place Polyurethane

Electrical

Voltage	115
Amps	4.8
Hz	60
Phase	1
Plug Type	NEMA 5-15P
Electrical Cord Length	84"
