Serve the coldest beer in town with this Avantco JBC-65 commercial bottle cooler! This unit boasts 18 cubic feet of interior storage space, enough to hold approximately 24 cases of 12 oz. bottles or 32 1/2 cases of 12 oz. cans. Its two sliding lids open smoothly and provide easy access to the interior, which features a painted aluminum liner for easy cleaning, and 3 plastic coated steel dividers to help you stay organized. A black, plastic coated steel exterior gives the cooler a sleek appearance in any bar setup, while a built in bottle opener and cap catcher makes it quick and easy to get customers their drinks.

This bottle cooler also boasts an efficient forced-air refrigeration system to maintain temperatures between 32 and 41 degrees Fahrenheit, and foamed in place polyurethane insulation that improves temperature retention and efficiency.

Warranty Information

This item is backed by a 1 year parts and labor warranty with 5 year warranty on the compressor, unless otherwise stated. For warranty inquiries or service, first locate the model number (located on the front of the unit, or inside the door jamb) and the bold number on the service plate (located on the front of the unit). Next, call 1-800-678-5517. You must have the model number and service plate number when contacting service technicians.

Failure to contact Avantco Refrigeration prior to obtaining equipment service may void your warranty.

Avantco Refrigeration will not warrant coverage for component failure or other damages that arise under the following conditions:

- Failure to install and/or use unit within proper operating conditions specified by Avantco Refrigeration
- Failure to properly maintain the unit. This includes, but is not limited to, basic preventative maintenance such as cleaning the condenser coil.
- Installation in a non-commercial or residential application
- Products sold or used outside of the United States

Additionally, no claims can be made against this warranty for spoilage of product, loss of sales or profits, or any other consequential damages.

Normal wear type parts, such as light bulbs and gaskets, are not included in warranty coverage.
