Exterior Dimensions	60 ¾"W x 24 ½"D x 35 ¾"H
Interior Dimensions	48"W x 20 ⅛"D x 31"H
Net Volume	15.8 cu. ft.
Net Weight	278 lbs.
Product Capacity	(546) 12 oz. cans -or- (456) 12 oz. bottles -or- (2) ½ barrel kegs
Packaging Dimensions	63 ⅜"W x 27 ½"D x 41 ¾"H

#### Cooling

Temperature Range	33° - 41°F
Refrigerant	R-134a
Max. Ambient Temperature	90°F
Defrosting	Automatic
Temperature Display	Digital
Temperature Controller	Digital
Horsepower	⅓

#### Construction

Exterior Material	430 Series stainless steel
Door Material	430 Series stainless steel
Interior Material	304 Series stainless steel
Countertop Material	304 Series stainless steel
Insulation Material	Foamed in place polyurethane
Shelf Material	Plastic coated wire
Number of Shelves	(4) 23 ⅝"W x 18 ⅛"D

#### Electrical

Voltage	115
Amps	7.5
Hz	60
Phase	1
Plug Type	NEMA 5-15P
Electrical Cord Length	106"

Easily store your most popular beverage choices and serve thirsty customers faster than ever with this Avantco UBB-24-60S solid door stainless steel back bar refrigerator! This 2-door unit maximizes capacity in a narrow, 24" deep footprint that can still hold up to 2 kegs, (756) 12 oz. cans, or (456) 12 oz. bottles. A total of four adjustable shelves and LED lighting also allow for easy storage and product visibility of all your beers, sodas, and drink mixers even on busy bar nights.

For great looks and superior durability, this unit also features wear-resistant stainless steel on the exterior and interior, both of which are designed to resist corrosion and spills. For additional versatility, its 304 stainless steel top can either fit under existing cabinetry or be used as a countertop. This unit requires a 115V electrical connection and includes a 8' 10" cord with NEMA 5-15P plug.

## Warranty Information

This item is backed by a 1 year parts and labor warranty with 5 year warranty on the compressor, unless otherwise stated. For warranty inquiries or service, first locate the model number (located on the front of the unit, or inside the door jamb) and the bold number on the service plate (located on the front of the unit). Next, call 1-800-678-5517. You must have the model number and service plate number when contacting service technicians.

**Failure to contact Avantco Refrigeration prior to obtaining equipment service may void your warranty.**

Avantco Refrigeration will not warrant coverage for component failure or other damages that arise under the following conditions:

- Failure to install and/or use unit within proper operating conditions specified by Avantco Refrigeration
- Failure to properly maintain the unit. This includes, but is not limited to, basic preventative maintenance such as cleaning the condenser coil.
- Installation in a non-commercial or residential application
- Products sold or used outside of the United States

Additionally, no claims can be made against this warranty for spoilage of product, loss of sales or profits, or any other consequential damages.

Normal wear type parts, such as light bulbs and gaskets, are not included in warranty coverage.
