## Medium-Duty Upright Five Brush Electric Glass Washer

### 1/3 HP Motor

Featuring a powerful 1/3 hp motor, the unit runs its (4) 6" brushes and (1) 7½" center brush quickly and efficiently to automatically scrub the insides and outsides of your glasses. This means you'll save time and labor, while getting better results by not washing the glasses by hand. Plus, because the motor is encased by a top guard, you'll never need to worry about water damaging the electrical components.
