

WELDED, NESTABLE "Z FRAME"

Aluminum Sheet Pan Racks

- **Construction:** Heavy duty, end-loading welded rack. "Z frame" construction. Made from type 6063-T5 ultra-strong aluminum.
- **Efficient Storage:** End-load pan design nests while not in use. 6 nested racks take up the same space as 2 regular welded racks – maximizes storage space. Ribbed slides for easier loading and unloading of pans.
- **Flexibility and Selection:** Fits full and half-size sheet pans. 12 or 20 pan capacity models.
- **Ease of Movement:** 5" (12.7 cm) non-marking polyurethane casters- 2 swivel & 2 swivel with brakes.
- **Ships Fully Assembled:** Ready for Use.
